*The Languages of World Literature* Achim Hölder, 2024-03-04 This volume opens the series of papers presented at the Vienna Congress of AILC ICLA 2016 beginning with eight keynotes Thirty four further papers are dedicated to the central theme of the conference the linguistic side of world literature under different focal points The volume further contains five roundtables the papers of a workshop of the UNESCO memory of the worlds programme a presentation of the avldigital de platform as well as several bibliographically enriched overviews of the special lexicography of comparative literature up to date versions of the ICLA publications and an example of multiple translations of a famous modern classic *Biographical Dictionaries and Related Works* Robert B. Slocum, 1986 [The Leamington Italian Community](#) Walter Temelini, 2019-07-18 The Leamington Italian Community intertwines personal and family stories with both empirical and intuitive writing to offer new historical insights into the complex social economic and psychological causes and effects of the migration phenomenon Walter Temelini meticulously reconstructs the history of immigration and settlement in Leamington Ontario of Italians from the southern regions of Lazio Molise and Sicily He explains how despite their regional differences three generations between 1925 and the 1990s forged a cohesive socially conscious and unique agricultural community by balancing their inherited values and their newly adopted Canadian economic opportunities Temelini s groundbreaking research draws on testimonial and documentary evidence gathered from in depth interviews with hundreds of residents as well as on original archival information and Italian language histories translated by the author and previously unavailable to English speaking readers He concludes his study with an investigation into the award winning novel *Lives of the Saints* by Nino Ricci one of the community s most celebrated descendants Drawing parallels between Ricci s narrative and the development of the community Temelini demonstrates that ethnicity can be transformed successfully into a powerful universal archetype and a creative force of identity A pioneering and authoritative work *The Leamington Italian Community* creates an intimate portrait within a global framework delving into issues both timely and timeless that will interest and inform the general and specialized reader alike *Computational Psychoanalysis and Formal Bi-Logic Frameworks* Iurato, Giuseppe, 2018-01-05 Computational psychoanalysis is a new field stemming from Freudian psychoanalysis The new area aims to understand the primary formal structures and running mechanisms of the unconscious while implementing them into computer sciences *Computational Psychoanalysis and Formal Bi Logic Frameworks* provides emerging information on this new field which uses psychoanalysis and the unconscious mind to make advancements in computational research While highlighting the challenges of applying analytical logic trends to primary formal structures readers will learn the valuable outputs to society when these trends are successfully implemented This book is an important resource for computer scientists researchers academics and other professionals seeking current research on applying psychoanalysis and Freudian concepts to computational structures [National Union Catalog](#) , 1973 Includes entries for maps and atlases [Epistemology](#) ,

**Haunted by History** Cyrill Buffet, Beatrice Heuser, 1998-04-01 Europe is a continent weighed down by the shadows of its past its wars the traditional enmities the suspicions of neighbours fuelled by historical memories This has immediate consequences for the understanding and representation of the past journalists politicians historians often apply simplistic pre conceived patterns i e myths to current events resulting in distorted and misleading analyses This volume exposes the way some historical myths such as Balance of Power Rapallo the Special Relationship the Franco German Couple the Peril of Islam are used to blur not to clarify our understanding of international affairs even to manipulate contemporary politics

After Machiavelli Barbara J. Godorecci, 1993 After Machiavelli is an examination of the triangular relationship of re writing a dynamic process encompassing both creative newness and awareness of historical profundity the hermeneutic attitude and Machiavelli's poesis Specifically it addresses four questions First to what degree can we speak of intersection interaction among this triad Second what common ground do all three actually share Third in what particular manner do the act of re writing and the hermeneutic attitude manifest themselves in the writings of Niccol Machiavelli And last what bearing does this have on the reader heir to Machiavelli's literary legacy In answering these questions Godorecci offers a close reading of a cycle of Machiavellian re writings characterized by three particular cases Machiavelli's rewriting of the works of others Plautus's *Casina* Terence's *Andria* Livy's *Ab urbe condita* and Dante's *De vulgari eloquentia* his own texts the story of Vitellozzo Vitelli and the events in Sinigaglia at the court of Cesare Borgis and the re writing of him by others in Gramsci's modern prince Drawing on Wilhelm Dilthey's ideas on experience history and hermeneutics Godorecci provides insights into Machiavelli's participation in the process of re writing as an expression of his own hermeneutic attitude which supports the universal validity of interpretation and thus clears space for others who come to take up after Machiavelli
