

## 9th Grade Writing Prompts: Fun Creative Writing Topics

### **Instructor Overview: Always Start With The End In Mind**

These assignments are some that I have developed over the years when I wanted to assess my students but didn't believe that a test or quiz would truly capture what they had learned in a unit of study—or when I wanted to grade something different for a change!

They measure skills or knowledge that could easily be measured with a standard exam—the elements of an epic poem, or elements that are unique to plays—but they require students to show that they can do more than just identify those elements.

Best of all, these assignments are fun, and getting students excited and ready to write them is not very difficult at all.

As long as you know where you want them to be—what skills or content you want them to demonstrate in their finished products—you will be able to guide them through these assignments.

### **Assignments Included in this Bundle:**

1. Historical Fiction Creative Writing Assignment
2. I Was Framed: The Villain Retells the Story
3. Life in High School is Like an Epic Poem: Creative Writing Assignment for The Iliad or The Odyssey
