

The *Core Standards for Math* series provides complete coverage of the Common Core State Standards for Mathematics. Each two-page lesson includes clear instruction and practice items to help students develop an in-depth understanding of the Common Core State Standards. In addition, *Core Standards for Math* includes special problem-solving lessons to help students pull together concepts and skills and apply them to real-world situations.

Lessons in *Core Standards for Math* are organized by standard and include the following:

- step-by-step instruction and modeling
- open-response and multiple-choice practice items
- problem-solving opportunities to apply concepts

Also available in the *Core Standards for Math* Series
