Christian, Jr.,2022-06-20 Forensic Investigation of Clandestine Laboratories Second Edition is fully updated to address all aspects of the forensic investigation of clandestine laboratories While the first edition focused on the domestic clandestine manufacture of contraband substances this edition expands the scope to more fully address the clandestine manufacture of explosives that have become a threat that is global in nature In clandestine laboratory operations equipment is often simple household chemical products are utilized and the education of the operators basic In fact most of the time these elements individually are perfectly legal to sell and possess However the combination of all these elements is what becomes the scene of illicit activity and a criminal operation In response to the increase in use of homemade explosive mixtures by terrorists both domestically and internationally the section clandestine manufacture of explosives is greatly enhanced Topics are presented in a manner which while detailed will not compromise the tactics techniques or procedures utilized by law enforcement and military personnel in their ability to combat the clandestine manufacture of contraband substances and the battle against domestic and international terrorism Key features Examines tell tale signs to look for in recognizing a clandestine lab Outlines how to safely process the site of a clandestine lab Details how to analyze collected evidence in the examination laboratory Provides guidelines as to what to derive from the physical evidence Offers specific tactics to effectively present the opinions associated with evidence that has been collected during the investigation in a written report military style briefing or to a jury in a legal proceeding Forensic Investigation of Clandestine Laboratories Second Edition guides the reader through the process of recognizing these illegal manufacturing operations Then it examines the methods as to how to compile the volume of associated evidence into a package that can be presented in a court of law or to military commanders for decisive action It is an invaluable resource that will prove useful to chemistry lab technicians forensic investigators fire and first responder professionals military personnel police investigative agencies and narcotics units and lawyer trying cases involving clandestine labs

Methamphetamine Epidemic Elimination Act : hearing before the Subcommittee on Crime, Terrorism, and Homeland Security of the Committee on the Judiciary, House of Representatives, One Hundred Ninth Congress, first session, on H.R. 3889, September 27, 2005. , *Secrets of Methamphetamine Manufacture* Fester

(Uncle.),Fester,2002 This title is out of print as of 03 02 2005 A new revised and updated edition *Secrets of Methamphetamine Manufacture* 7th Edition will be available as of 03 08 2005 Congressional Record United States. Congress,1999 Neoliberalism and the Media Marian Meyers,2019-01-31 This book examines the multiple ways that popular media mainstream and reinforce neoliberal ideology exposing how they promote neoliberalism s underlying ideas

values and beliefs so as to naturalize inequality undercut democracy and contribute to the collapse of social notions of community and the common good Covering a wide range of media and genres and adopting a variety of qualitative textual methodologies and theoretical frameworks the chapters examine diverse topics from news coverage of the 2016 U S presidential election to the NBC show Superstore an atypical instance in which a TV show for one brief season challenged the central tenets of neoliberalism to kitchen porn The book also takes an intersectional approach as contributors explore how gender race class and other aspects of social identity are inextricably tied to each other within media representation At once innovative and distinctive in its illustration of how the media is complicit in perpetuating neoliberal ideology Neoliberalism and the Media offers students and scholars alike an incisive portrait of the intersection between media and ideology today
