In *Moment of Truth*, Nuttle exposes the escalating trends in our government toward regulation and overspending while taking a critical look at the increasing power of Trade Unions and the corroding effects of the United Nations. He speaks especially to the 28 million small business owners in the country, 80 percent of whom are Republican and 65 percent of whom are evangelical, arguing that these policies will be devastating to them while putting America's economic future in jeopardy. Ultimately, Nuttle demonstrates the conclusive dangers of big government when controlled by those who would lead this nation toward an irretrievable tipping point.
