Friend (With Benefits) Zone

Laura Brown, 2017-06-27 I'm ridiculously attracted to my best friend. Today is a bad day. The worst actually. After dealing with the constant manhandling that comes with being a cocktail waitress at a dive bar and surviving a date from hell, I see an eviction notice slapped on the door of my sketchy basement apartment. Great. When my best friend Devon shows up at my door and uses his stubborn charm to get me to move in with him, I give in. We've had about a million sleepovers since we met in the kindergarten Deaf program, but this time it's different because I can't stop thinking about his hard body covering mine every single night. I know Devon would do anything for me, but I'm afraid what I want to happen will ruin our friendship forever. And the more time we spend together in close quarters, the harder it'll be to resist the spark of attraction I've always felt. But maybe it's possible to have the best of both worlds: keep the one relationship I can't live without and indulge in an attraction I can't deny. I guess the only thing we can do is try **Chase Me** Tessa

Bailey, 2015-03-17 From the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinker* comes a sexy and hilarious rom-com trilogy about three broke and beautiful strangers who share an apartment in NYC. College drop-out Roxy Cumberland moved to New York with dreams of becoming an actress, but her dwindling bank account is quickly putting the kibosh on that fantasy. To make some quick cash, she signs up to perform singing telegrams. Her first customer is a gorgeous cocky Manhattan trust funder. If she ever laid eyes on one, and what could be more humiliating than singing an ode to his junk courtesy of his recent one-night stand. Maybe the fact that she's dressed in a giant pink bunny costume. After a night out to celebrate winning his last case, lawyer Louis McNally II isn't prepared for the pounding in his head or the rabbit serenading him from the front door. But the sassy wit and sexy voice of the girl behind the mask intrigue him, and one look at her stunning face followed by a mind-blowing kiss against his doorjamb leaves Louis wanting more. Roxy doesn't need a spoiled rich guy who's had everything in life handed to him on a Tiffany platter. But there's more to Louis than his sexy surface, and he's determined to make Roxy see it, even if it means chasing her all over NYC. Louis and Roxy are a terrific match from the start. But Bailey is a master at portraying a heroine with a complex core, and Roxy's proud character carries the novel, making readers wish she was their roommate. Empty bank account, be damned. *Washington Post*

Surviving Graduate School in Psychology Tara L. Kuther, 2008 What happens after you've been accepted into a psychology graduate program? How can you best prepare for the challenges ahead and make the most of your graduate school career? In *Surviving Graduate School in Psychology: A Pocket Mentor*, author Tara L.
