I have up for sale my silver 2004 Hyundai Elantra. It only has approximately 74,000 miles on it. Mechanically is perfect. There are a couple of tiny dents on the exterior, and one cigarette burn on the front passenger seat from a negligent friend. Otherwise the car is in pretty good shape. Silver exterior and interior. New timing belt at 60,000. Serviced very regularly, I tend to keep all the receipts from oil changes and things like that. The last 10K miles are 80% highway miles, driving from Decatur to Chicago and back on a regular basis. It gets excellent gas mileage. Automatic transmission, AM/FM, CD Player, Power seats & windows, Cruise control. Really great little car. E-mail me with any questions at all. Willing to negotiate. I'm living in Chicago now and don't need a car for the next year. I only had the one picture of the exterior so the interior is a stock photo but looks exactly the same.
