All cranes and hoisting equipment with a rated capacity of 2,000 pounds or more that is used in the City of Chicago will require a licensed operator by March 1, 2016. This study guide provides information about testing procedures (page 1), types of equipment requiring a Chicago license (page 2), content outlines (pages 3-4), study materials and a description of practical exams (page 5), and sample questions to help candidates prepare for the written examinations (pages 6-12).

General Information

PURPOSE OF THE EXAMINATIONS

These examinations assess the knowledge and skills of candidates who intend to operate cranes or hoisting equipment with a rated capacity of 2,000 pounds or more in Chicago. A candidate who passes the Class I written test is eligible to take any Class I or Class II practical exam for a specific license type listed on page 2 of this Study Guide. A candidate who passes the Class II written test is eligible to take any Class II practical exam for a specific license type. Chicago Building inspectors may stop work at any location where cranes or hoisting equipment are being used without a properly licensed operator.

TEST VALIDITY & TEST LENGTH

Each written test is three hours in length. All test questions have been validated to meet strict psychometric controls and have been approved by the Chicago Crane Operators Examining Board.

STUDY MATERIALS

Study materials for these examinations are described in this Study Guide. OSHA requirements for crane operators are available free on the U.S. Department of Labor website.

MISSING AN EXAMINATION

There are no "make-up" dates for written tests. You may re-register for the next examination date. **THERE ARE NO REFUNDS.**

WHAT TO BRING TO THE EXAM

Each candidate should bring two (2) sharpened Number 2 black lead pencils and a non-programmable, non-printing, solar- or battery-powered portable or pocket calculator. No power source will be available for calculators at the test site. Candidates will not be permitted to use any books, notes or other reference materials during these examinations. *Cell phones are prohibited during an examination.*

LICENSURE

Candidates who score 70 or higher will receive a PASS notice and instructions to schedule the appropriate practical examination(s).

FAILURE
