Handbook of Research on Educational Leadership for Equity and Diversity Linda C. Tillman, James Joseph Scheurich, 2013-08-21 The rapid growth of diversity within U S schooling and the heightened attention to the lack of equity in student achievement school completion and postsecondary attendance has made equity and diversity two of the principle issues in educational leadership and educational leadership research The Handbook of Research on Educational Leadership for Equity and Diversity is the first research based handbook that comprehensively addresses the broad diversity in U S schools by race ethnicity culture language gender disability sexual identity and class The Handbook both highly values the critically important strengths and assets that diversity brings to the United States and its schools yet at the same time candidly critiques the destructive deficit thinking biases and prejudices that undermine school success for many groups of students Well known chapter authors explore diversity and related inequities in schools and the achievement problems these issues present to school leaders Each chapter reviews theoretical and empirical evidence of these inequities and provides research based recommendations for practice and for future research Celebrating the broad diversity in U S schools the Handbook of Research on Educational Leadership for Equity and Diversity critiques the inequities connected to that diversity and provides evidence based practices to promote student success for all children

Open Court Reading WrightGroup/McGraw-Hill, 2002-05 **Books in Print Supplement**, 2002 *Passing the Georgia 8th Grade CRCT in Georgia Studies* American Book Co, 2012 [In Our Own Words](#) Various Authors, 2017-08-24 When Georgia Southern College in the small town of Statesboro opened its doors to its first six colored students in 1965 it did so without much of the very public outcry faced at other schools and colleges as part of desegregation These six pioneers share their personal memories of integrating the college which opened doors for those who would follow In 2014 more than 5 400 African American students enrolled at the school now known as Georgia Southern University GSU The essays of those initial pioneers as well as those by fifteen other alums through the Class of 1985 demonstrate the perseverance of the human spirit and illustrate how social change can be achieved by boldly confronting difficult and frightening situations to bring about lasting reform Their

stories of integration at the southern school tell of emotional ordeals some of which led to lasting scars and times of defeat Life wasn't easy if you were black on a predominantly white college campus But in the midst of despair comes triumph In *Our Own Words* also shares the determination and dedication of those early students most of whom went on to successful careers and personal accomplishments This powerful collection of essays that needed to be written showcases a group of students who never dreamed they would one day help shape the college's history and leave a legacy that would allow others to follow in their footsteps
