**Switchwords For Financial Miracles: The Subtle Art Of Creating Your Own Reality** Monika Pavlickova, 2020-02-29 SWITCHWORDS are super powerful words that can bypass your conscious mind and directly influence your subconscious mind. They are very easy and fun to use. Create the life of your dreams with Switchwords. My ex-boss was a short-blood-sucking vampire. His cold eyes and a steely glare that could kill a fly on the spot. Many believed that he had been possessed by demons and attending demonic sessions. When he asked you a question, he would move his head to one side and ask weird questions and shout and scream. I would work my ass off to get clients, not only for me but also for his business. He always wanted more and more clients and increased business revenue without wanting to spend any of his dimes on marketing and advertising. On top of it, the receptionist did everything she could to repel any good client and kept offering them her own services. She was grimacing at virtually all clients. Despite all of this, I kept working hard, did cold calling every day, and invested my own money on getting the leads and draining my savings account. I couldn't sleep at night from all the mental abuse and physical exhaustion. Also, at that time, I was interested in a guy who promised me collaboration and promotion of my business. Of course, it didn't happen, and worse than that, he chose to help a prostitute get some work and promotion. I had nobody to turn to, so I turned to alcohol for help to soothe the pain. I went through a mental breakdown and wanted to commit suicide many times. I had no hope and didn't know how to get out of the black magic spell. One morning, when I woke up in pain and covered in blood, and emotionally, spiritually, and physically depleted, with broken glass on the floor, I knew something is gotta change NOW. I couldn't get up and passed out. I started to see the light at the end of the tunnel when I saw the flashing light of the ambulance. Who did that? I DID. Who does that? YOU DO. Up to your eyeballs in debt. Just to have your name on the business door. The SS spiritual guru had a diamond ring. I called it a blood diamond. Because I knew every bit of the blood, sweat, and tears it took to get new clients for the business. He would twist that ring around his finger the whole time he leered at me and talked down to you. I lived with my neck under the SS boss boot until the day I discovered and applied the secrets mentioned in this book and my other books **REALITY CREATION SECRETS** and **SWITCHWORDS MIRACLES**. Spending thousands of pounds on the law of attraction training and books did not work. Applying ancient knowledge from my books, changing my beliefs, applying the right strategies, and choosing my own preferred reality did work. In 6 weeks, I went from 15-2 leads per week to 50-100 per week. And I went from chasing and

begging the clients to actually clients chasing and begging me to get an appointment Fast forward a couple of years I own international businesses that are profitable have enough quality leads clients waiting list and my life is happy and peaceful It's the ONE Decision I made that made it happen I started investing in myself and studied reality creation secrets And from then my life has completely changed because now I have multiple thriving online businesses and have a partner who adores me loves me and is very proud of me I went from 0 to hero within a few months just applying the simple wisdom and techniques mentioned in the amazing book Your life can change too it is just one decision away from you Kick Ass In Life and In Business
