Cranford Annotated And Illustrated Book With Teacher Edition Elizabeth Cleghorn Gaskell,2020-12-02 Cranford is the type of small town where everyone knows everything about everyone else It is also a place with a set social hierarchy presided over by a group of older women whose word about etiquette is law One of the younger women in the town Mary Smith is the narrator of the book and she manages to keep abreast of all of the town happenings even when she is out of town because her friends write to her and give her all of the up to date information Miss Deborah Jenkyns is the leader of the ladies Usually nobody challenges her but when Captain Brown arrives with his two daughters he unwittingly flies directly in the face of the traditional mores that she has established His first and most serious faux pas is to admit that he is poor This is just not done However whilst his poverty is immediately obvious on meeting him his kindness and generosity of spirit are not he begins to win over the townspeople with his absolute niceness that really makes him stand out He and his younger daughter Miss Jessie go without so that his older daughter who is suffering from a debilitating illness and in enormous discomfort can have some simple things that make her life a little bit easier He also makes an effort to listen really listen to the ladies so that he is able to help them in any way that he can When he is killed in an accident the ladies of Cranford are initially worried that they will become responsible for both of his daughters but his older sickly daughter passes away very soon after her father leaving poor Jessie alone Miss Jenkyns decides that she will take her in despite the fact that her uncle is a shop keeper and Deborah Jenkyns is rather worried what the Lady of the Manor will think when she learns that the niece of a shopkeeper is now a member of the Cranford social circle
