Coming Clean C. L. Parker, 2016-09-20 The steamy conclusion of C L Parker s Monkey Business Trio They have been rivals who fought until the bitter end and lovers who know every sensual inch of each other s bodies Now sports agents Cassidy Whalen and Shaw Matthews are about to become the one thing they never expected to be parents But this new dynamic to their relationship threatens to fizzle the sizzling desire that once held them in thrall to each other If salvation is only a forbidden fantasy away then Shaw and the woman he loves must embark on the adventure of their lives Cassidy is aching to reignite their connection In steamy assignations in strange places she and Shaw live out their most intimate desires and reveal their deepest secrets But as Shaw works overtime to sign a superstar athlete a corporate reshuffling could be a game changer Can Cassidy and Shaw save their relationship and have it all a career family and passion that never quits Coming Clean is intended for mature audiences Praise for Coming Clean Parker s witty insightful and inventive Monkey Business Trio finale after Getting Rough packs an emotional punch as a couple in present day San Diego grapple with being true to themselves and demystifying family legacies Spunky and charismatic characters and riveting banter make this hard fought for romance irresistible Publishers Weekly In the final installment of the Monkey Business trio Parker puts obstacles in the couple s way that propel the story into a compelling read RT Book Reviews Coming Clean provides a realistic sometimes heartbreaking glimpse at the simultaneous frailty and strength in a relationship Heroes and Heartbreakers I cried laughed was hot and bothered and I loved every bit of this installment I couldn t ask for a better ending to this trilogy Under the Covers Book Blog The ending was perfect Fiction Fan Girls

**Coming Clean** Tom Gunn, 2010-09-22 If you think you have a drinking problem you probably do If you think you can handle it without any outside help you re probably wrong In fact I ll bet you ve tried And still have a problem Thus begins Tom Gunn s Coming Clean a handbook disguised as a memoir a small book with a big message a book that cuts through the excuses and puts a spotlight on the path to recovery In this Gunn is an expert a well practiced substance abuser from the age of fifteen who spent more than twenty years living in a self induced fog before confronting his disease He s been sober now for almost thirty years and has stories to tell While readers will learn something about Tom Gunn they will learn more about themselves Gunn trained as a lawyer became a super salesman and served as head of international sales for one of the world s largest aerospace companies and as president of a helicopter company For too many years he avoided getting straight and thought he was doing just fine As he writes I always was very good at my job in spite of the fact that I was using After I came clean I was very good at my job I always thought that booze and pills made me super creative helping me write speeches and position papers and marketing plans and I was on top of the world Truth was I was very good at faking it Call it style over substance It was not until I got sober that I learned how creative I really could be Advance praise for Coming Clean In more than three decades specializing in the assessment and treatment of addiction I ve read many books written by and for substance abusers Some are technical some

anecdotal some conversational and each makes a contribution in one way or another but I've never before read a book that so effectively targets men and women who know they have a problem but are not yet comfortable with the idea of doing something about it Ronald B Dicker PhD Licensed Clinical Psychologist St Louis Missouri **Coming Clean** ,1989
