## La Chatte:

LA Chatte Colette,1955-06-01 , **La Chatte** Colette,1965 **Double Agent Victoire** David Tremain,2018-06-11 Mathilde Carr notoriously known as La Chatte was remarkable for all the wrong reasons Like most spies she was temperamental scheming and manipulative but she was also treacherous A dangerous mix especially when combined with her infamous history of love affairs on both sides Her acts of treachery were almost unprecedented in the history of intelligence yet her involvement in the Interalli affair has only warranted a brief mention in the accounts of special operations in France during the Second World War But what motivated her to betray more than 100 members of the Interalli network the largest spy network in France Was she the only guilty party or were others equally as culpable Drawing on material from MI5 files **Double Agent Victoire** explores the events that led to her betrayal who may have cast the first stone and their motivations as well as how the lives and careers of those involved were affected It reveals a story full of intrigue sex betrayal and double dealing involving a rich cast including members of the French Resistance German Abwehr and British Intelligence *Transactions of the Society of Biblical Archaeology* Society of Biblical Archaeology (London, England),1885 List of members in each volume **South West Secret Agents** Laura Quigley,2014-09-01 True tales of Second World War spies from across the West Country have been collected together for the very first time in this fascinating book From the rescue operations as the exodus from France began to the secret guerrilla army in Devon and Cornwall this book will amaze and intrigue with the incredible stories of Jasper Lawn of N51 the Helford Flotilla and the first escape routes for POWs agents and crashed airmen **The public examination French class book, materials for reading and translation, arranged by M. Deshumbert** Marius Deshumbert,1897 **Proceedings of the Society of Biblical Archaeology** Society of Biblical Archaeology (London, England),1903 **World War II: The Resistance** C. David North,2015-04-29 France fell to Hitler s forces in less than two months It was not until 1942 that widely dispersed underground organizations would band together to form a united opposition to the occupying Germans It was not until then that resistance would become the Resistance a disciplined multi national movement that would play a significant part in the outcome of World War II In each occupied nation resistance groups would grow gathering and sending information to London planning increasingly complex sabotage operations and assisting thousands of people particularly Jews in fleeing Nazi occupied territories Their actions would eventually become a focused counteroffensive against the German army in 1944 when Allied troops gathered in Great Britain to prepare for the invasion of France As their widespread activity weakened German outposts in France and other occupied countries the Allies would gain the foothold they needed to win the war This is their story **The Saturday Review of Politics, Literature, Science and Art** ,1872 *Saturday Review* ,1872 *The Wellington college French exercise book* A I.
