novel scientific approaches It gathers findings and insights presented at the fourth Smart Services Summit held in Zurich  
Switzerland in October 2021 which primarily focused on how smart services have enabled companies to adapt during and to  
the COVID 19 pandemic The book includes examples of remote and collaborative working that actively involve customers in  
service processes requiring a change in mindset for more traditional firms Moreover it explores how services can be  
delivered faster and more affordable with the aid of new technologies and in collaboration with the customers leading to new  
value propositions and business models and thus an evolution of smart services Given its scope the book offers an essential
