**Follow Me Bible Study - Member Book** David Platt, 2013-02 When Jesus says Follow Me it's not an invitation to say a prayer it's a summons to lose our lives Pastor David Platt challenges the traditions of cultural Christianity and reintroduces us to Jesus and His most simple request Follow Me [Follow Me - Bible Study Book with Video Access](#)

David Platt, 2022-06-15 Challenge the traditions of cultural Christianity and examine the meaning of Jesus's simple request Follow Me [Follow Me](#) David Platt, 2013-02-05 2014 Christian Retailing's Best award finalist What did Jesus really mean when he said Follow Me In this new book David Platt author of the New York Times bestselling book *Radical Taking Back Your Faith from the American Dream* contends that multitudes of people around the world culturally think they are Christians yet biblically are not followers of Christ Scores of men women and children have been told that becoming a follower of Jesus simply involves believing certain truths or saying certain words As a result churches today are filled with people who believe they are practicing Christianity but aren't We want to be disciples as long as doing so does not intrude on our lifestyles our preferences our comforts and even our religion Revealing a biblical picture of what it means to truly be a Christian Follow Me explores the gravity of what we must forsake in this world as well as the indescribable joy and deep satisfaction to be found when we live in obedience to Christ Pastor David Platt challenges you to Exchange comfortable religion for the New Testament's vision of true discipleship Reignite your affection for God and passion for evangelism Embrace a faith that transforms your entire life when you submit to Christ's authority rather than just make him your personal Lord and Savior The call to follow Jesus is not simply an invitation to pray a prayer it's a summons to lose your life and to find new life in him This book will show you what such a gospel centered life actually looks like

**The New Elder's Handbook** Greg R. Scharf, Arthur Kok, 2018-11-20 Pastors and church leaders are in need of mature godly elders to ensure church health but the training of elders is often entirely missing or badly neglected What if there were a process to proactively call and train elders The New Elder's Handbook is designed to equip elders with the knowledge character and skills the office calls for It takes church leaders through the development of a vision for ministry recruitment of elders to carry out that vision and specific biblical training providing a way to be intentional about developing elders

**Dying to Grow** Nathan Lorick, 2014-02-21 Never before have we seen the church degenerate at such a rapid pace This is largely due to the church pursuing congregational growth instead of kingdom growth The church is dying because our growth isn't based on strategies to reach the lost with the gospel The time to change is now we can't wait

any longer People's eternities are at stake What is your church's priority Are you more concerned with filling your building or furthering the Kingdom This book will challenge you to evaluate just how important gospel based evangelism is to you and your church and call on you to restore an intentional evangelism strategy within the body Hell will tremble when churches once again make evangelism the central theme of their strategy What Did Jesus Really Mean When He Said Follow Me? David Platt, 2013-10 This book is adapted from Follow me a call to die a call to live by David Platt *Growing God's Family* Samuel L Perry, 2016-12-06 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level *Growing God's Family* ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group *Democratic Campaign Handbook* Democratic National Committee (U.S.), 1916 **Repairing the Missional Breach** Kevin Blackwell, 2024-04-02 Making disciples is the primary calling of the church however in the past decades of American evangelicalism there has been a breach of Christ's Great Commission as found in Matt 28:19-20 Much of this failure can be attributed to the doctrine and practice within three modern church movements The book offers a history and critique of modern American evangelical church movements including the Church Growth Emergent Church and Missional Church movements Each of these movements did not result in disciple making multiplication In this book you will find an analysis of disciple making in these movements as compared to the methods and model of Jesus Informed by these critiques formative ministry adjustments are presented as a faithful path for future missional approaches Harper's Weekly John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Foord, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1897 *New York Insurance Journal*, 1897 *The English Catalogue of Books* Sampson Low, 1952 Volumes for 1898-1968 include a directory of publishers **Argonaut**, 1900 The Tammany Times, 1896 **Subject Guide to Books in Print**, 2001 *The Publisher*, 1951 **Books in Print**, 1962
