Historical Dictionary of Ancient India Kumkum Roy,2008-12-04 India s history and culture is ancient and dynamic spanning back to the beginning of human civilization Beginning with a mysterious culture along the Indus River and in farming communities in the southern lands of India the history of India is punctuated by constant integration with migrating peoples and with the diverse cultures that surround the country Placed in the center of Asia history in India is a crossroads of cultures from China to Europe as well as the most significant Asian connection with the cultures of Africa The Historical Dictionary of Ancient India provides information ranging from the earliest Paleolithic cultures in the Indian subcontinent to 1000 CE The ancient history of this country is related in this book through a chronology an introductory essay a bibliography and hundreds of cross-referenced dictionary entries on rulers bureaucrats ancient societies religion gods and philosophical ideas

Building Histories Mrinalini Rajagopalan,2017-03-01 Building Histories offers innovative accounts of five medieval monuments in Delhi the Red Fort Rasul Numa Dargah Jama Masjid Purana Qila and the Qutb complex tracing their modern lives from the nineteenth century into the twentieth Mrinalini Rajagopalan argues that the modern construction of the history of these monuments entailed the careful selection manipulation and regulation of the past by both the colonial and later postcolonial states Although framed as objective archival truths these histories were meant to erase or marginalize the powerful and persistent affective appropriations of the monuments by groups who often existed outside the center of power By analyzing these archival and affective histories together Rajagopalan works to redefine the historic monument far from a symbol of a specific past the monument is shown in Building Histories to be a culturally mutable object with multiple stories to tell
