How to Create Digital Portfolios for Problem Solving and Innovation IV Thurston,2017-07-15 Digital literacy is the key to success for this generation of students Becoming familiar with digital portfolios and how they can assist in solving problems creatively is now a necessity This title will inform readers about the benefits of digital portfolios with a focus on problem solving and innovation Using historic examples from some of history s greatest minds as well as current professionals working in a digitized landscape students will finish this book with a clear understanding of how digital portfolios can be leveraged to take an inventive approach to addressing issues **Anatomy of a Breakthrough** Adam Alter,2023-05-16 A captivating constructive Adam Grant 1 New York Times bestselling author of Think Again guide to breaking free from the thoughts habits jobs relationships and even business models that prevent us from achieving our full potential Almost everyone feels stuck in some way Whether you re muddling through a midlife crisis wrestling with writer s block trapped in a thankless job or trying to remedy a fraying friendship the resulting emotion is usually a mix of anxiety uncertainty fear anger and numbness But it doesn t have to be this way Anatomy of a Breakthrough is the deeply researched and compelling Cal Newport New York Times bestselling author of Digital Minimalism roadmap we all need to escape our inertia and flourish in the face of friction Adam Alter has spent the past two decades studying how people become stuck and how they free themselves to thrive Here he reveals the formula he and other researchers have uncovered The solution rests on a process that he calls a friction audit a systematic procedure that uncovers why a person or organization is stuck and then suggests a path to progress The friction audit states that people and organizations get unstuck when they overcome three sources of friction HEART unhelpful emotions HEAD unhelpful patterns of thought and HABIT unhelpful behaviors Despite the ubiquity of friction there are many great unstickers hidden in plain sight among us and Alter shines a light on some exceptional stories to share their valuable lessons with us He tells us about the sub elite swimmer who unstuck himself twice to win two Olympic gold medals the actor who faced countless rejections before gaining worldwide fame the renowned painter who

became paralyzed and had to relearn to paint with a brush strapped to his wrist and Alter's own story of getting unstuck from a college degree that made him deeply unhappy Artfully weaving together scientific studies anecdotes and interviews Alter teaches us that getting stuck is a feature rather than a glitch on the road to thriving but with the right tweaks and corrections we can reach even our loftiest targets

**Face Politics** Jenny Edkins, 2015-04-10 The face is central to contemporary politics In Deleuze and Guattari's work on faciality we find an assertion that the face is a particular politics and dismantling the face is also a politics This book explores the politics of such diverse issues as images and faces in photographs and portraits expressive faces psychology and neuroscience face recognition face blindness facial injury disfigurement and face transplants through questions such as What it might mean to dismantle the face and what politics this might entail in practical terms What sort of a politics is it Is it already taking place Is it a politics that is to be desired a better politics a progressive politics The book opens up a vast field of further research that needs to be taken forward to begin to address the politics of the face more fully and to elaborate the alternative forms of personhood and politics that dismantling the face opens to view The book will be agenda setting for scholars located in the field of international politics in particular but cognate areas as well who want to pursue the implications of face politics for the crucial questions of subjectivity sovereignty and personhood
