As you close your eyes, you visualize yourself running down the track, making each step as long as possible, drawing long, clear, deep breaths into your lungs to power your body. Soon, you hear them give the command, "Runners, on your marks!" You carefully place your toe at the front of your lane and crouch down for the race. You can hear your heart pounding with anticipation, your muscles twitching, and your hands nervous. Then, the next command, "Get Set." Waiting, waiting, waiting. Finally you hear it -(slam a book on the table)
The race begins with the crack of the cap gun."
