What does the school board do? - Correct Answer The school board interprets federal and state standards, regulations and existing policies. Then, the school board makes sure the school districts are in compliance with them. Further, the school board hires the superintendents and monitors the superintendents' performance, especially when the superintendent gives oversight to the schools to make sure the leaders are advocating for the rights of the students and following the mission and values of the school. The school board solicits the input of the superintendents in order to make sound decisions. Also, the school board comes up with the salaries and establishes the policies for hiring employees, including teachers and paraprofessionals. The school board approves the school budgets and gives the superintendents the authority to implement and manage the budget and administrative activities for the school district. The school board helps get resources for the school if needed. Further, the school board approves plans and participates in the design of new school constructions and school renovations.

Who is John Dewey? - Correct Answer Many theorists developed concepts that focused on education, learning and curriculum. John Dewey is a social theorist. He theorized that education was a key to improving society. Also, John Dewey is identified as the Father of American Education. He further believed that learning is active, messy and also has as its foundation philosophy. The philosophy is what drives the outcomes and the procedures for the school and the learning of the student.

What is a formative assessment? - Correct Answer A formative assessment is an approach that is used to evaluate the teacher's performance. Often times, a formative assessment is done while the teacher is instructing. The evaluator assesses the teacher's instructional strategies. Also, the evaluator determines if the teacher is instructing the students based on the curriculum content which is tied to the goals the school has created. The administrator must review any type of performance evaluation with the teacher. A copy of the evaluation is always kept in the teacher's personnel file. Also, the teacher receives a copy of the performance evaluation.

What are transition services? - Correct Answer Under the special education services that schools are mandated under the Individuals with Disabilities Education Improvement Act (IDEIA or IDEA) to provide to students with disabilities includes providing students with disabilities transition services. Transition services are geared towards students who are 16 years of age and have a disability. Based on the laws that provide instructions on services for students with disabilities, schools must offer programs to these students to help them determine and plan steps that will help them gain success after they leave school.

What is Due Process? - Correct Answer Due process is a basic human right for all. In addition to being found in the 14th amendment, it is addressed in the 5th amendment

[Cpce Practice Questions: Cpce Practice Tests & Exam Review for the Counselor Preparation Comprehensive Examination](#) Exam Secrets Test Prep Staff Cpce,2018-04-12 CPCE Practice Questions are the simplest way to prepare for the CPCE test Practice is an essential part of preparing for a

test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our CPCE Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test, and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success, and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed and more importantly, why you missed them to be able to avoid making the same mistakes again when you take the real test. That's why our CPCE Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
