

The background features a close-up of a young woman's face, smiling, with her hair pulled back. The foreground is dominated by a vibrant, multi-colored ripple effect, resembling a drop of water hitting a surface, with concentric circles in shades of blue, green, yellow, and red. The overall color palette is warm and emotional.

Chain Reaction A Call To Compassionate Revolution:

Chain Reaction Darrell Scott, Steve Rabey, 2001-04-01 Rachel Scott and her killer Eric Harris both talked about starting a chain reaction Eric used violence to kill and destroy at Columbine High School But Rachel chose another path In a personal creed she wrote one month before her death in the Columbine tragedy she explained her conviction that if one person goes out of his or her way to show compassion it will start a world changing chain reaction of kindness For Rachel this was a solemn calling And now her father Darrell Scott is carrying on her crusade by challenging people of all ages to commit themselves to creating a revolution of compassion that can make a real difference in our troubled world Chain Reaction spells out this challenge in compelling detail providing moving examples of practical compassion and giving illustrations from Rachel s life and journals

Revolution in the Church: Challenging the Religious System with a Call for Radical Change, 2002 **The Demise of Compassion** Donald G Davis Sr, 2011-08 Over the years our nation s value system has been disrupted During the rise of our present generation and the birthing of a new generation our nation s caring and compassion appear to have diminished People are more concerned with their own self preservation and self worth Careers have become the focal point of men and women alike People have become self centered looking for the advancement of their cause and unfortunately it is at the expense of love and compassion Why is compassion in our society on the decline Dr Donald Davis seeks to find the causes of and solutions to this decline in his study *The Demise of Compassion A Casualty of a Changing Culture* In this study Dr Davis explores compassion versus culture the essence of compassion the challenges facing compassion and the path that is leading to compassion s demise the road to recovery By utilizing over thirty years of pastoral experience with the thoughts of the leading experts on compassion Dr Davis provides a tough but fair look at what is happening in our modern society Join Dr Davis as he analyzes the trends in compassion today and shares simple everyday ways that compassion can be restored in *The Demise of Compassion A Casualty of a Changing Culture* **Leadership, Not**

Salesmanship Stephen C. Morrow, 2002-10 *Rachel's Tears: 10th Anniversary Edition* Beth Nimmo, Darrell Scott, Steve Rabey, 2009-02-16 I am not going to apologize for speaking the name of Jesus If I have to sacrifice everything I will Rachel Scott The Columbine tragedy in April 1999 pierced the heart of our country We later learned that the teenage killers specifically targeted Rachel Scott and mocked her Christian faith on their chilling homemade videotapes Rachel Scott died for her faith Now her parents talk about Rachel s life and how they have found meaning in their daughter s martyrdom in the aftermath of the school shooting Rachel s Tears comes from a heartfelt need to celebrate this young girl s life to work through the grief and the questions of a nation and to comfort those who have been touched by violence in our schools today Using excerpts and drawings from Rachel s own journals her parents offer a spiritual perspective on the Columbine tragedy and provide a vision of hope for preventing youth violence across the nation Meets national education standards **The Martyrs of Columbine** J. Watson, 2003-05-02 On April 20 1999 Eric Harris and Dylan Klebold killed twelve fellow students and

one teacher at Columbine High School in Littleton Colorado Two of the victims of the Columbine massacre Cassie Bernall and Rachel Scott reportedly were asked by the gunmen if they believed in God Both supposedly answered Yes and were killed Within days of their death Cassie and Rachel were being hailed as modern day martyrs and are seen by many American evangelicals as the sparks of a religious revival among teenagers Cassie and Rachel as innocents martyred for faith also became useful symbols for those seeking to advance a conservative political agenda and to lay the blame for Columbine at the feet of their liberal opponents According to police investigators however Cassie and Rachel may never have been asked by their killers about God They may have been simply victims of a senseless crime rather than martyrs to a cause The Martyrs of Columbine provides a careful examination of the available evidence and attempts to discover what really occurred Despite these questions the martyr stories continued to be told and the religious and political use of Cassie and Rachel continues The popular significance of the martyrs of Columbine persists and may even be growing How and why is this happening The Martyrs of Columbine is a groundbreaking investigation of what this tragedy has come and will come to mean in American religion politics and culture

The Five Ways We Grieve Susan A. Berger, 2011-03-08 In this new approach to understanding the impact of grief Susan A Berger goes beyond the commonly held theories of stages of grief with a new typology for self awareness and personal growth She offers practical advice for healing from a major loss in this presentation of five basic ways or types of grieving These five types describe how different people respond to a major loss The types are Nomads who have not yet resolved their grief and don't often understand how their loss has affected their lives Memorialists who are committed to preserving the memory of their loved ones by creating concrete memorials and rituals to honor them Normalizers who are committed to re-creating a sense of family and community Activists who focus on helping other people who are dealing with the same disease or issues that caused their loved one's death Seekers who adopt religious philosophical or spiritual beliefs to create meaning in their lives Drawing on research results and anecdotes from working with the bereaved over the past ten years Berger examines how a person's worldview is affected after a major loss According to her findings people experience significant changes in their sense of mortality their values and priorities their perception of and orientation toward time and the manner in which they fit in society The five types of grieving she finds reflect the choices people make in their efforts to adapt to dramatic life changes By identifying with one of the types readers who have suffered a recent loss or whose lives have been shaped by an early loss find ways of understanding the impact of the loss and of living more fully
