20 YEARS OF INNOVATION

Who We Are

20 YEARS OF **INNOVATION**

- ◆ For over 20 years **SiliconeZone**® has been developing innovative silicone products.
- ◆ **SiliconeZone**® introduced the first avant-garde silicone bakeware in the market. Highlighting its flexible qualities, non-stick properties, and ease of cleaning.
- ◆ **SiliconeZone**® ingenuity quite literally synthesized a new kitchenware category in the marketplace.

siliconezone®
20 YEARS OF **INNOVATION**

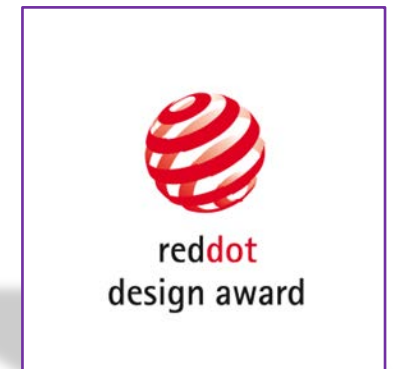

Why SiliconeZone®?

SiliconeZone®

products that suit today's
health-conscious lifestyle.

- ◆ **SiliconeZone®** products are safe to use for food preparation and storage, eco-friendly, reusable and eliminate waste.
- ◆ **SiliconeZone®** has been recognized in numerous international design competitions, including...

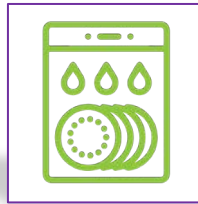

Features & Benefits of SiliconeZone®

Non-Stick

Prevents food from sticking and promotes easy de-mold.

Dishwasher Safe

Good for convenient and efficient clean up.

Strong & Durable

Durable & generally lasts longer than metal or glass bakeware.

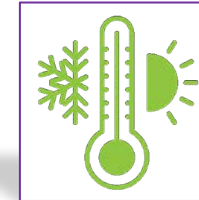

Freezer Safe

Perfectly chill or freeze with the addition of any ingredients.

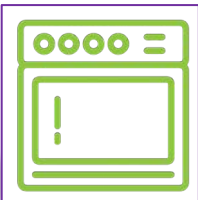

Eco Friendly

Safe, static-free, BPA free, and incredibly versatile.

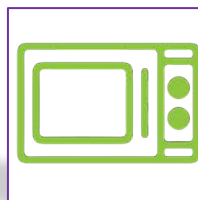

Temperature Range

Withstands temperatures from -40° F to 450° F, and achieves an even heat spread.

Oven Safe

Good for oven use with excellent baking performance.

Microwave Safe

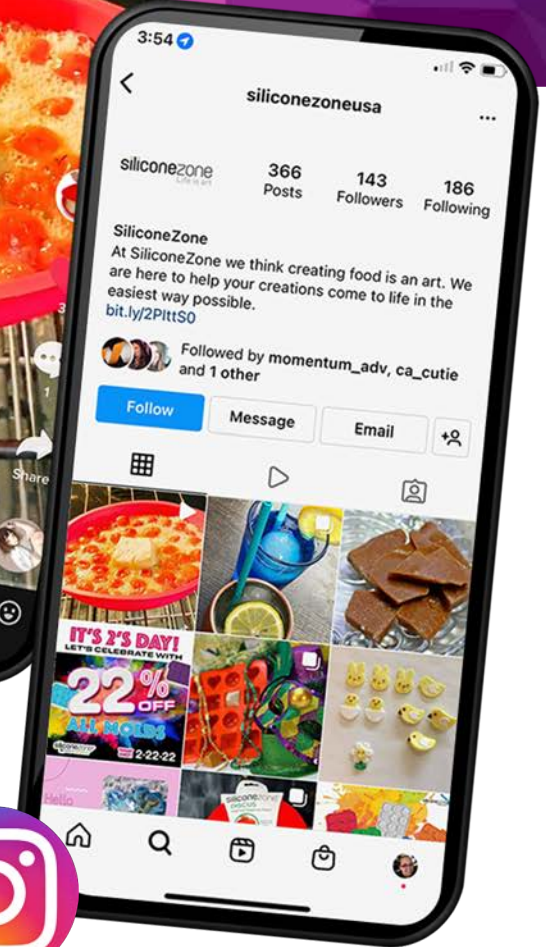

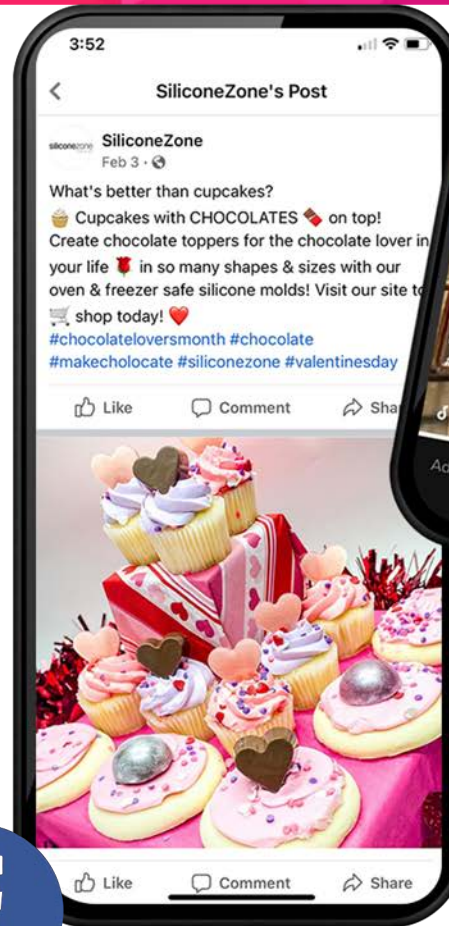

Good for cooking, reheating and defrosting with a Microwave.

100% Silicone FDA Approved

We Know Our Audience

- ◆ We obtain feedback and reviews from consumers in our digital footprint

Kitchen Essentials

All In One **Discus** ... **STEAM** or **BAKE** your favorite meals, **STORE** your leftovers in the refrigerator or freezer, **REHEAT** your favorite meals.

Eco Lids are the ideal way to keep all types of foods and leftovers safe, fresh, and ready to serve. With a variety of sizes, they can fit almost any type of bowl. Just place it, press on it, and freshness is locked in. Use instead of plastic wrap.

**All products shipped from our NY Warehouse*

The screenshot shows the SiliconeZone website. At the top, there's a banner with various silicone products (molds, containers) and the text "siliconezone® Life is art". Below the banner, it says "Ordering Wholesale is Easy!" and "We offer two options to place orders:". There are two main sections: "Order Via Faire" with a "Click to Sign Up Now" button, and "Order Direct" which includes a form to fill out. The form has fields for Company Name, Contact Name, Phone Number, and Email Address, all marked with an asterisk to indicate they are required. There's also a checkbox for "I'm not a robot" and a CAPTCHA logo. A "Submit" button is at the bottom of the form.
